La Cava is located in Pognana Lario (SS583) at 11km from Como. This location is 20.000 sqm. and originally was an ancient stone quarry, between the lake and the road to Bellagio. The Residence is now an oasis of luxuriant mediterranean vegetation, where our guest can relax near the lake or the swimming pool (11/5-21/9). Stairs starting from the private parking to the lakeside, descend through the different levels of apartments, and a panoramic lift runs in the rocks for 50 m to the tennis court and the swimming pool. The apartments are fully furnished, facing the lake trough balconies or large terraces, offering a spectacular view on the lake. At the lake park a bar/restaurant and the Marina boat mooring are waiting for you.
